## INVITATIONAL EDUCATION 2006 DVD

Price: 200 HKD (Plus 8.2 HKD Postage)

In 2002, the Hong Kong Education and Manpower Bureau had launched the invitational Education (IE) action learning project with nine pilot schools. In four years time, there are already over 100 primary and secondary schools joined in a similar process.

We are proud to announce that there are nine schools (including primary schools, secondary schools and kindergarten) in Hong Kong being recognized to receive the 2006 Inviting School Award. The beliefs and the 5Ps (i.e. People, Place, Program, Policy and Process) of IE

provide a comprehensive framework for strategic school development with a strong teamwork.

IAIE produced this DVD. Two versions of the DVD are available, Chinese version and English version. The DVDs contain two-hours programs to share the achievements and the developments of IE in Hong Kong. You will be able to find in the DVD the salient strategies and processes employed by the five Hong Kong IE Award schools with highlights of the 2005 World Leadership Institute that took place in Hong Kong.
